

# EASTER

MARCH 25/26/27

BOB MERRITT

Most people believe that Jesus was a great man and teacher and blessed by God with prophetic and supernatural powers. But what do you believe about Him? Was He a just a great teacher, prophet and miracle worker, or was he more than that?

## DISCUSSION QUESTIONS

1. Share about a time in your life when you wanted to know if someone had undeniable credentials. Why was it so important for them to have those credentials?
2. On a scale of 1-10 (1=you simply admire Jesus, and 10=you follow him completely), where are you in your relationship with Jesus? Has this changed over time for you?
3. Read Matthew 28:1-10. Mary Magdalene went to the tomb and saw that Jesus was no longer there. Imagine being in her shoes. How would you have reacted? How would your perspective of Jesus change if you had met him face-to-face after he had risen?
4. When Jesus forgives your sins, you are set free and can start living a new life. What if you knew that you could be forgiven and free of anything you've done wrong? How could that change your life? If you're already following Jesus, how does experiencing this forgiveness and freedom encourage you to share it with others in your life?
